going after Mann but
heavy on WS which
is what he expected
but from the like he
was being attacked &
saved him from the
letter. Unanswerable
questions about the
economy, the cost of living,
Russian MRVs
what has happened to the
dollar & the ruble.
He confused he
could not take sides.
He plagiarized the
Governor more & in
doing so encourage his
minority but more
hard-core following that
has no place to go &

has been seeking to
show its own
self respect.
The odds are his
boy in prison con-
fronts because nobody
has a chance to go
back & say "you
did it backwards."
He used his time
and put by. He used
his opportunities
choosing all his
lives in self destructions,
which really got
him off to it.
